10.15 am

[Key Speaker] Erasmus + Virtual Exchange : providing meaningful intercultural learning experiences

Fabio Nascimbeni works as a Senior Expert for UNIMED (Mediterranean Universities Union), and is a Senior Fellow of the European Distance and eLearning Network (EDEN) and a fellow at the Centro de Estudos sobre Tecnologia e Sociedade of the University of Sao Paulo (USP) in Brazil and at the Nexa Centre of the Politecnico di Torino. He has been coordinating the outreach and partnershp activities of the Erasmus+ Virtual Exchange programme which enabled more than 30.000 youth in Europe and the Southern Mediterranean to engage in meaningful intercultural experiences online, as part of their formal or non-formal education.

10.30 am

Use case of distance research based learning

Emmanuel Cornillot is Professor at the Pharmacy Faculty, University of Montpellier (France). He coordinates of the online international master « DYNAMED » set up with asian universities that should open in septembre 2021 and manager of the research training path in pharmacy studies, he will share with you the challenges he had to face to adapt his teaching approach during the first containment period during COVID-19 epidemic

10.45 am

Implementing Virtual Collaborative Learning (VCL) as an affordable inclusive Virtual Mobility instrument to overcome the social distance challenge

Prof. Dr. Eric Schoop (Professor of Wirtschaftsinformatik, Information Management), Dr. Wissam Tawileh (JOVITAL Project Manager) and M.Sc. Mattis Altman (VALEU-X Project Manager) are working at Technische Universität Dresden, Germany, at the Chair of Wirtschaftsinformatik - Information Management. Their interdisciplinary team is active in teaching, research, and knowledge transfer at the interfaces between economic, organizational, social, information technology and didactic questions. The focus is on support of complex university and company learning environments through suitable e-learning arrangements and Knowledge-oriented teamwork through collaborative social software systems.

11.00 am   **Learning Outside the Box; Virtual Exchange Challenges and Achievements**

Dorsaf Ben Malek is the « English Language Teaching » coordinator at the Virtual University of Tunis. Her PhD relates to didactics and pedagogy. She organized several virtual exchange projects for Tunisian and Spanish learners with the sponsorship of Erasmus+. She participated in a number of international conferences inside and outside Tunisia and organized workshops and trainings for students and educators on intercultural communication, marketing and presenting across cultures, online teaching, and virtual exchange
